Subject: Atlas Mining Company - Dragon Mine

Jim: We have received a new notice from Atlas Mining Company. There was no map with the notice, so we notified them that we would suspend review until we received a map and an accurate location. We received the requested items yesterday (10/2). They propose to mine in the NE1/4 of the NE1/4 of Section 31, T10S, R2W.

I will fax you a copy of the notice and map. The map is quite dark, so I hope you can see it. There are the words (Dragon Mine) printed on the map in the location identified.
